*** The tuition fees are set annually and can be changed during the study years with the approval of the Senate of the University of Medicine and Pharmacy of Craiova.**

**Foreign students applying for tuition fee reimbursement should be aware of the stipulations outlined in the relevant legislation. According to art. 130 paragraph 3 of the Law on Higher Education in correlation with the stipulations of the Order of the Minister of Education 4694/2024, 5% of the fees collected by the University of Medicine and Pharmacy of Craiova from foreign students and lecturers are transferred to the Ministry of Education and Research, thus, this amount is non-refundable.

The enrolment of foreign citizens (from non-EU countries) to study programmes in Romanian language is only possible on a **fee-paying basis**, at their own expense. Foreign citizens are persons who have the nationality of a non-EU country, as certified by a valid passport.

Admission to Romanian-language programmes is based on a file competition.

Foreign students who have been admitted to university studies with tuition fees in a foreign currency and who obtain Romanian citizenship may occupy a place of study financed from the state budget or in lei, at the amount established by the university senate for Romanian citizens, only after passing the entrance exam. This is organised in a legally established session, according to the each university regulations.

In accordance with Order no. 3693/2024 of February 1, 2024, citizens of the Member States of the European Union, of the States belonging to the European Economic Area and of the Swiss Confederation, as well as British citizens and their family members, as beneficiaries of the Agreement on the Withdrawal of the United Kingdom of Great Britain and Northern Ireland from the European Union and the European Atomic Energy Community 2019/C 384 I/01, can participate in admission to all university study cycles, under the same conditions provided by law for Romanian citizens, including tuition fees.
